For Immediate Release

“DRESS FOR SUCCESS”

During the 2006-2007 seven Rotarians volunteered over 110 volunteer hours sorting and organizing clothes for “Dress for Success”. “The mission of Dress for Success is to promote the economic independence of disadvantaged women by providing professional attire, network of support and the career development tools to help women thrive in work and in life.” The volunteers not only contributed their time but monies to buy more than 10 clothes racks and other needed items. The organization has been lucky to have one of our own become a board member, Terri White. She is now serving on the board (2007). Besides balmy weather in December, we shared tea sandwiches and aches and pains. We, however, gained great satisfaction that we were able to turn around after many more visits a “boutique” where women could come and find clothes to improve their lives.
